

Field / Maintenance - Capabilities

Revolution Industrial offers expert solutions to keep your facility running smoothly and efficiently. With expertise spanning multiple sectors, we provide comprehensive field services related to the installation, maintenance, and repair of industrial facility mechanical systems.

Maintenance & Mechanical Services

We understand the critical role efficiency plays in maximizing uptime and optimizing performance; that's why we are committed to delivering reliable solutions tailored to meet your facility's specific needs.

Achieve Optimal Productivity

Professional mechanical and maintenance services performed by skilled and experienced personnel keep your facility running smoothly and profitably. Our services are proven to reduce downtime and increase efficiency, bringing you a higher return on your investment.

**With our services,
your facility can
also enjoy:**

- ✓ Optimal Equipment Performance
- ✓ Safer Work Environment
- ✓ Cost Savings
- ✓ Extended Equipment Lifespan
- ✓ Improved Product Quality
- ✓ Operational Efficiency
- ✓ Environmental Responsibility

Field Services

Installation

We handle the installation of all types of mechanical systems, ensuring a smooth and efficient start-up process.

Preventative Maintenance

We offer scheduled maintenance plans to prolong the lifespan of your equipment and prevent unexpected breakdowns.

Troubleshooting & Repair

Our team is equipped to diagnose and address mechanical issues quickly to minimize downtime.

Upgrades & Retrofitting

We can help improve your facility's performance, efficiency, and safety by upgrading your existing systems or retrofitting them to meet evolving standards.

Millwright Services

Expert support in the installation, maintenance, and repair of industrial machinery, ensuring seamless operations and productivity.

Plant Relocations / Maintenance

Professional assistance in relocating and maintaining plant equipment, minimizing downtime and disruptions.

Rigging / Equipment Setting

Skilled rigging services for the safe and efficient setting up of heavy equipment, promoting workplace safety and efficiency.

Industrial Facility Expansion

Increase your production capacity and optimize workflow with our industrial facility expansion services.

Additional Services

We go beyond core mechanical services to offer a wider range of support, including:

- ✓ Pipefitting
- ✓ Machinery alignment
- ✓ Machinery start-up support
- ✓ Electrical services

Equipment & Machinery

- ✓ Conveying systems
- ✓ Production machinery
- ✓ Electrical panels
- ✓ Packaging equipment
- ✓ Process piping
- ✓ Piping support systems
- ✓ Valves and pumps

Revolution Industrial isn't just a contracting firm; we're your one-stop shop for industrial projects throughout Arizona. Our team includes AISC-endorsed fabricators and NACE-certified coating specialists, allowing us to deliver comprehensive solutions – from managing the entire construction process to providing high-performance industrial coatings.
