SOPHISTICATED PAINT  
ENDORSEMENT P2

### Industrial Coatings

Our AISC-endorsed and NACE-certified team offers comprehensive industrial coatings solutions, from high-performance floor finishes to AWWA-compliant tank coatings. We handle both shop and field applications, ensuring exceptional surface preparation and flawless results for any project.

### Shop Coatings

Our shop coatings protect and enhance the surfaces of shop-fabricated items such as tanks, machinery, pipes, and more. These coatings are formulated to withstand harsh elements, such as:

- Chemicals
- Impact damage
- Abrasion
- Heavy traffic
- Extreme temperatures
- Intumescent fireproofing
- And more...

## Field Coatings

Our coatings division is equipped and qualified to apply industrial coatings in field-application settings. These coatings are applied on-site at the final location where the equipment or structure will be used.

- Welded Carbon Steel Tanks
- Steel Water Storage Tanks
- Bolted Carbon Steel Tanks
- Composite Elevated Water Storage Tanks
- Aluminum Dome Roofs for Water Storage Facilities
- Submerged Surfaces of Steel Water Storage Tanks
- And more...

## Floor Coatings

Revolution Industrial offers high-performance epoxy floor coatings for industrial settings, ensuring a durable, non-porous, chemical-resistant finish for concrete floors.

- Anti-slip flooring
- FDA-approved flooring
- Abrasion-resistant flooring
- ESD and conductive flooring
- Impact-resistant flooring

## Dry Abrasive / Wet Abrasive / Water-Jetting

Our professional crews have access to the latest in insulating and intumescent coatings and linings to keep structural steel, vessels, piping, bulkheads, ductwork and more protected from the extreme temperatures brought on by extreme heat. We work with our customers to devise the best fireproofing solution for their projects. Using strict guidelines for both safety and construction, we then properly apply these fire retardants with the utmost in care and quality.

Revolution Industrial isn't just a contracting firm; we're your one-stop shop for industrial projects throughout Arizona. Our team includes AISC-endorsed fabricators and NACE-certified coating specialists, allowing us to deliver comprehensive solutions – from managing the entire construction process to providing high-performance industrial coatings.
