Some Of Our Valued Customers Include:

Our Services

Fabrication

We provide AISC-certified steel fabrication for diverse projects, including structural steel, handrails, piping, and commercial materials. From design to delivery, we deliver precise, cost-effective solutions meeting your timelines.

Coatings

Revolution Industrial has provided expert industrial coating services since 2011. Serving sectors like steel fabrication, tank construction, equipment maintenance, and project management, our skilled team delivers quality coatings on-site or in-house.

Electrical & Instrumentation

Revolution Industrial delivers expert commercial and industrial electrical solutions for optimal business performance. Our team provides engineering, testing, maintenance, repair, and replacement services to ensure safety, efficiency, and reliability for your electrical infrastructure.

Field Services & Maintenance

Revolution Industrial provides comprehensive mechanical services including installation, maintenance, repair, and upgrades for smooth operations and maximum uptime. Our expert millwrights handle everything from equipment relocation and rigging to plant expansions.

Mechanical

Revolution Industrial optimizes facility performance with comprehensive mechanical services. From installation and maintenance to repairs and upgrades, our expert team ensures smooth operations, maximum uptime, and cost-efficiency.

Overhead & Gantry Crane

We specialize in custom overhead crane fabrication and installation. Our expert team delivers reliable, efficient, and durable solutions tailored to your specific needs, adhering to strict quality control throughout the process.

Civil Construction / Underground Utilities

Revolution Industrial provides comprehensive underground utility solutions. Our expert team installs, maintains, and repairs water, wastewater, and storm sewer systems, ensuring reliable, safe, and efficient infrastructure for your facility.

Structural Erection

Revolution Industrial provides expert self-perform structural steel installation, complemented by trusted subcontractors. Our AISC-certified team delivers efficient erection of various steel components, ensuring timely project completion from small structures to industrial warehouses.

Quality Assurance

We prioritize quality in all aspects of our work. We use high-quality materials from trusted sources and conduct rigorous tests to ensure our products meet the highest standards. Our commitment to quality control is driven by a customer-centric approach, aiming for satisfaction, reliability, and longevity. Through continuous improvement and feedback, we surpass industry benchmarks. Our dedication to quality has earned us industry certifications and awards, and we remain focused on delivering unmatched quality, reliability, and safety for our customers' satisfaction.

Serving Southwest US

Revolution Industrial is proud to be an award-winning specialty contractor across industries. Serving the Southwest United States, we are committed to delivering excellence and value on every project we undertake.
